

# MORRICE HOMECOMING FESTIVAL

## *Contest Rules*

**This is a great way for young ladies to help raise money for their community. Each young lady will receive 40% of the money she collects. The rest of the money will go towards the Morrice Homecoming Festival.**

**The Rules of the contest are as follows:**

- Each girl **MUST** have her collection canister with her at all times to receive donations.
- If you choose to collect money by standing in front of a place of business, you must have permission from the business owner.
- The winner must be willing to represent the Morrice Homecoming Festival by being in local parades throughout the year. If the Queen is unable to attend, the runner-up will be asked to fill in.
- The Festival will take place on Saturday, June 25, 2016, with festivities beginning at 1pm and the parade to follow @ 2pm. The Queen and Princesses will be expected to be in attendance for the entire evening and act as Ambassadors for the Festival.
- When asking for donations, know the details of the festival and what the proceeds will be used for.
- Your canister can be decorated with your picture and name. Be sure to keep it tasteful as it is to benefit the community.
- Canisters may be turned in to Chemical Bank when they are full. Please do **NOT** open the cans yourself. Final day to turn in a canister for the **official count is Friday, June 24, 2016 before 4pm.**
- Contestants will be responsible for arranging their own car for the parade.
- Only the contestant will be in the parade, no escorts.
- Dresses must be appropriate length and style. Remember this is a family event represent yourself well in the community.

***Any questions, please call Lisa Haring, Chemical Bank at 625-8553***
