The balance must be paid prior to the release of documents. The FOIA Coordinator will not charge additional fees for certification of any copies. Charges for labor costs will be determined by using the wages of the lowest paid employee capable of retrieving the requested information.

- a. The prior final fee did not exceed One Hundred and Five (105%) Percent of the previously estimated fee.
- b. The new records requested contained the information being sought in prior requests and are still in the Village's possession.

- c. The public records were made available to the requested, subject to payment, within the time frame estimated.

Section 5 Procedures Of The Village in Processing a FOIA Request

- 5.1 After a person has made a written request for a public record in accordance with the Act, the FOIA Coordinator shall respond within five (5) business days after its receipt. A written request made by facsimile, electronic mail or other electronic transmission is considered received by the Village's FOIA Coordinator one (1) business day after the electronic transmission is made. If an e-mail request is forwarded to the Village's spam or junk mail folder, the request is not considered received until 1 business day after the Village first becomes aware of the request. The FOIA Coordinator shall keep a log of when requests are delivered to the Village spam or junk mail folder and when the Village becomes aware of the request.
- 5.2 If the FOIA Coordinator knows or has reason to know that all or a portion of a requested document is available on the Village's website at the time the request is made, the FOIA Coordinator shall notify the requesting person in writing that the record is located on the website and shall include to the degree practical, references to the specific webpage address where the record can be found.
- 5.3 If a portion of a requested record is available on the Village website(s), the FOIA Coordinator shall separate on the detailed itemization response those public records that are available on the Village website(s) from those public records that are not available on the Village website(s). The FOIA Coordinator shall inform the requestor of the additional charge to

receive copies of the public records that are available on the Village's website(s).

- 5.4 If a verbal request for information is made for information that the Village believes is available on the Village's public website(s), Village employees shall, where practicable and to the best of the Village's employee's knowledge, inform the requestor about the Village's website address.
- 5.5 The FOIA Coordinator shall then process the request in one of five ways:
 - A. Grant the request.
 1. If the request is for an inspection of public records, the FOIA Coordinator will contact the requesting person to arrange for inspection at a reasonable time during normal office hours.
 2. The FOIA Coordinator may request the appropriate deposit if permitted under 4.1 G.
 - B. Deny the request in a written notice that provides:
 1. An explanation as to why the requested public record is exempt from disclosure in accordance with the Act.
 2. An explanation that the requested public record does not exist.
 3. An explanation or general description of information which has to be redacted from the public record.
 4. In addition to the explanations above, the denial shall also include an explanation of the requesting person's right to appeal as outlined in Section 6.
 - C. Grant the request, in part, and issue a written notice denying the request, in part. Any notice denying, in part, any requested records shall contain the appropriate explanations provided for in 5.5 (B) above.
 - D. Issue a written notice extending the time in which to respond to the request by an additional ten (10) business days.
 - E. If the request does not sufficiently describe the public records requested so as to permit the FOIA Coordinator to locate the correct records, the FOIA Coordinator will notify the requestor for clarification of the request. Such a notice shall not be interpreted

as a denial of the request for purposes of the Act or these policies and guidelines.

- 5.6 If a request is made for an existing public record that includes information which is exempt from disclosure under the Act and information which is not exempt, the FOIA Coordinator must separate or redact the material and make the non-exempt material available for examination and/or copying. Additionally, the FOIA Coordinator is directed to generally describe the material which has to be separated or redacted, unless doing so would reveal the contents of the exempted information and thus defeat the purpose of the exemption.

Section 6 Appeals

6.1 Denial of Records

- A. An appeal of a decision to deny records may be appealed to the Village President who has ten (10) business days to respond to the appeal.
- B. A civil lawsuit may also be brought in the 35th Circuit Court within forty-five (45) days after receiving a notice of the fee, or after a determination of appeal to the Village President is received, but only if:
1. The Village President failed to respond to the requestor's written appeal, or
 2. The Village President has issued a determination to the requestor's written appeal.

6.2 Excessive Fee

A requestor wishing to appeal a charged fee believed to be excessive, may file a written appeal that contains the word "appeal" and identified how the requestor believes the required fee exceeds the permitted amount. The Village President shall issue a decision within ten (10) business days responding to the appeal by indicating that:

- a. The fee is waived,
- b. The fee is reduced, OR
- c. An extension of time to respond of up to ten (10) business days is needed. The notice of an extension of time shall detail reason(s) why the extension is necessary.

In reducing or upholding a fee, the Village President shall provide a written determination indicating the specific basis that supports the amount of the fee and shall certify that the statements therein are

accurate and that the fee amount complies with these Procedures and Guidelines of the Village as well as the Act.

It is so resolved.
